We will finish our day at 12.30pm on the 27th and our learners will go home at the start of lunchtime, with their school lunch to have at home. We have our SKIDs after school care team available for FBS whānau who may find this time does not work with their work commitments.

Please let the school office know if you require this service (09 274 8279)

CLASS PHOTOS

We have the Photolife team in school next Wednesday, March the 20th to take our class photos. This is always a highlight and with our learners in their full school uniform these class photos are something we cherish and value. All photos are taken in the school hall, only class photos i.e. no individual or sibling photos. We will advise on the dates for ordering and delivery once we know.

Thank you for your ongoing support and encouragement of our school.
