Term 3 Week 8

Kia orana, Kia ora, Malo lelei, Talofa lava, Namaste, Fakalofa lahi atu, Bula vinaka, Ni hao ma, Xin chāo, Salam alaikum, greetings to all whānau and friends of Flat Bush School,

We are nearing the final weeks of our term and it is really nice to see an improvement in the weather. Our fields have finally dried out enough for us to use them again at break times. It has been good to start our lunchtime sports activities and to have the school bikes back in action.

Well done to our FBS Ki o Rahi team who participated in the Ōtara Schools Cluster event on Tuesday.

School. The final match was against St Johns where they claimed victory 6-5. A massive shout out and thanks to our parents & families for their support

Next week we celebrate Te Wiki o Te Māori with our opening assembly on Monday at 9.15am (COLA).

We warmly invite FBS whānau to join us, we have a special performance by the Manurewa High School Kapahaka group, which I'm sure will be miharo.

Thank you FBS whānau for your continued encouragement and support for our school.
Mr Avatea
Proud to be your Principal

They finished 1st in Pool 1 after 4 wins. From there, they went through to the semi final to find success over Bairds Mainfreight Primary

Highlights from last week's Tongan Language Week
