Term 3 Week 10

Kia orana, Kia ora, Malo lelei, Talofa lava, Namaste, Fakalofa lahi atu, Xin chào, Bula vinaka, Nǐ hǎo ma,
Greetings to all whānau and friends of Flat Bush School,

As we come to the end of another busy and vibrant term, I'd like to take this opportunity to reflect on the achievements and growth we've seen within our school community over the past months. FBS is a place of resilience, strength, and whānau, and that spirit has been alive and well across our classrooms, playgrounds, and wider community.

This term, our tamariki have shown incredible growth in their learning, with many learners making significant progress in Reading, Writing, and Mathematics. I'm particularly proud of the way they've embraced challenges and supported one another, reflecting our school's values. From our juniors, who are developing the building blocks of literacy, to our seniors, who are refining their leadership and critical thinking skills, it's clear that the future is bright for our rangatahi.

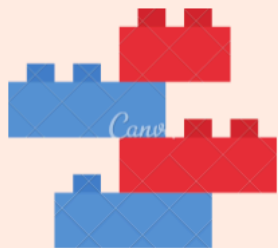

I want to acknowledge the ongoing support of our parents, caregivers, and extended whānau. Your involvement, whether through attending school events, helping with homework, or just encouraging your child's efforts, makes a world of difference in their education. Together, we are creating an environment where every child feels valued and encouraged to do their best.

Next term promises to be just as exciting, with more learning opportunities and community events to bring us together. We'll continue to focus on our key goals: raising achievement in literacy and numeracy, nurturing our students' wellbeing, and building strong partnerships with our families.

As we head into the holidays, I encourage all our students to take a well-deserved break and spend time with loved ones. To our whānau, thank you for trusting us with your children's education and for being such an integral part of our school's success.

We look forward to welcoming everyone back next term, ready to learn, grow, and thrive.

Mr Avatea
Proud to be
your
Principal

Need something to do these school holidays?

Create and enter your very own LEGO creation inspired by our Auckland Brick Show theme 'Explorers' and enter the competition to win a LEGO prize pack for you and your classroom!

But that's not all, finalists will win a family pass and have the opportunity to feature their creations at the Auckland Brick Show 2024 October 26-27 at Te Pai Stadium in Henderson. Tickets available now at www.eventbrite.co.nz

Head to www.aucklandlug.co.nz for competition details and to submit your entry.
