Week 11 Term 1

**Kia ora, Kia orana, Malo lelei, Talofa lava, Namaste, Fakalofa lahi atu, Bula vinaka, Ni hao, greetings to all whanau and friends of Flat Bush School**

Tomorrow our school closes for instruction from 3pm and we begin the Term 1 break. This is a great chance for our students to recharge and return to school energised after their two week holiday. Our staff will also have a chance to have a rest, however they will spend part of this time planning, preparing and organising their classrooms for Term 2.

I would like to thank all of our hard working staff for their contribution to everything we have done this term. We have had a very successful term, from our classrooms to the sportsfield. Our students have shared and shown their talents and abilities with a wide audience this term, the challenge now is to maintain this high level of achievement.

I wish all whānau well for the term break, enjoy this time with your amazing children and we look forward to seeing everyone back when Term 2 starts on Monday, April the 30th.

Mr Avatea  
Proud to be your Principal

FUN! @trukatgroup

Check out the art crews sculpture of a piwakawaka (fantail) using recycled items. It was for a sculpture competition which got postponed until later on in the year, due to the storm this week. The student involved are Jordan, AJ, Maybelle, Akaysha, Atalia, Toreka and Adriana.

A sore throat can lead to rheumatic fever if it's left untreated. Rheumatic fever is very serious and can cause heart damage.

Every time your child has a sore throat it could be serious. Don't ignore, take them to a doctor or nurse straight away to get it checked. Call **Healthline** on **0800 611 116** to find out more.
