Kia ora, Kia orana, Malo lelei, Talofa lava, Namaste, Fakalofa lahi atu, Bula vinaka, Ni hao,

A very warm welcome to all students and their whanau as we begin our new year. Today is the last day of January but the first day of our new school year. We have had many new enrolments and it is great to have them join our Flat Bush School whanau.

A reminder to all students that school starts each day at 8.55am.

At Flat Bush School we offer Stationery Packs for all students that can be purchased from our school office. We offer this as a service to our families, not as a means of generating income for our school.
