Week 11 Term 1

Kia ora, Kia orana, Malo lelei, Talofa lava, Namaste, Fakalofa lahi atu, Bula vinaka, Ni hao, greetings to all whānau and friends of Flat Bush School,

A big thank you to all FBS whānau who joined us for yesterday's Goal Setting meetings. The weather was not fantastic, but it was awesome to have the chance to talk about learning with you all. It is not too late to have a meeting with your child's teacher, please ring our school office (274-8271) and Whaea Tania will make a booking for you.

Next term our learners will be focused on reaching these goals and with your support at home I am 100% confident they will achieve them.

I would like to wish all whānau well for our upcoming break and we look forward to welcoming our learners back to school on Monday, April the 29th.

During the break, staff will be involved in First Aid Training and planning for the start of Term 2. We have several property projects happening in the break and we look forward to our learners experiencing these changes when they return.

Congratulations to this year's Student Councillors, they have an important role in our school as role models and advocates for all of our learners. I often think to myself that our School Council is a wonderful introduction to a career in leadership, and I look forward to the time when one of our FBS Councillors becomes Prime Minister!

Thank you FBS whānau for your continued encouragement and support of our school.

Kia manuā,
 Mr Avatea
 Proud to be your Principal
