 Week 6 Term 3

Kia orana, Kia ora, Malo lelei, Talofa lava, Namaste, Fakalofa lahi atu ,Bula vinaka, Ni hao, greetings to all whānau and friends of Flat Bush School.

This week there has been a lot of media coverage of the Measles outbreak across Auckland.

We have communicated to all families advice on what to do if you think your child may have measles. The Healthline number to ring is (0800 611 116) and don't hesitate to give them a call if you need any information. Flat Bush School have asked for all families to provide us with evidence of immunisations, normally we get this information upon enrolment.

For those families we sent letters to yesterday, thank you for getting this important information to us. In the event that a student at our school tested positive for measles we would ask all non-immunised FBS students to stay at home. We start Tongan Language Week on Monday and all FBS whānau are invited to join us as we open the week with the singing of the Tongan National Anthem and flag raising.

This will take place at 9am in the area in front of our school's flagpole. Our Tongan learners are invited to wear their (*ta'ovala, kiekie, tupenu, puletaha*) throughout the week. A big week for our school's rugby teams as they compete next Friday in the Ōtara Inter Schools tournament at Sir Barry Curtis Park. Our boys and coaches have been training after school in preparation and we wish them well.

Next Friday, September the 6th we will be having a Mufti Day in support of the NZ Cancer Society.

Wishing all FBS whānau a safe and happy weekend.

**Measles in Auckland schools**

The only way to protect your family is to make sure they are vaccinated or immune.

Please see your doctor now to catch up on missed vaccinations. They are FREE at your GP.

If your children are vaccinated, they won't need to stay at home if there is measles at your school.

Keep your child at home if they are sick and watch out for symptoms:

Cough Runny nose Sore red eyes Rash

If you or your children show symptoms please stay at home and call your doctor or Healthline (0800 611 116) for advice.

♥ Fathers day ♥

Dear Dad,

We are formed by little scraps of wisdom. My father gave me the greatest gift anyone could give another person, he believed in me. Everyone can be a father, but it takes a lot to be a dad. He didn't tell me how to live, he lived and then he let me watch him do it. Happy Fathers Day you amazing person! Thank you for being there every day with all the love and guidance I've needed. Everything you've taught me has stuck with me and I'm fortunate to have a dad like you. Dad you have given me the best things in life. Your time, your care and your love. Thank you for being your amazing self.

**Happy Parents Day**

I love my Mum because she is a Dad to me as well. Her

favourite animal is a puppy so this picture is for you my loving Mother.

Dear Dad, you are the best Dad ever. I love you with all my heart. You are always there for us, when we need you wherever you are. You are always in my heart. I love you and we know that you love us back. I watch you play your favourite games and you always make us laugh. Dad you work hard for us, so that we can have things we need. Dear Dad, I am really glad you are in our lives.

Dear Ardy,

I want to thank you for all the days that you looked after me and my siblings. I also want to thank you for being the father of my youngest sister with all your heart. In every single one of my favorite memories, you are in it.
