Week 10 Term 3

Kia orana, Kia ora, Malo lelei, Talofa lava, Namaste, Fakalofa lahi atu ,Bula vinaka, Ni hao, greetings to all whānau and friends of Flat Bush School,

As Term 3 comes to a close I would like to take the time to thank all of our amazing staff and learners for their hard work over the past ten weeks. It is now time for everyone to take a break and recharge for the final term of the year. To our learners, enjoy the next two weeks while school is closed. I hope the weather is nice so we can all get outside and have lots of fun. We look forward to seeing everyone back in school on Monday, October the 14th with classes starting at the usual time of 8.55am.

Wishing all FBS whānau a safe and happy Term 3 break.

Rm12 Amazing Stories

An exciting beginning of the Sun and Moon Princesses

By Jahzara Tuteru

Once upon a time, there was a girl named Naomi Grayson, she has just graduated from Gremlin High with her BFF Sora Natumi. Sora has black shiny hair like the moon. Whereas Naomi has beautiful, blonde hair just like the playful sun when it's awakened from its slumber!

One day, when Sora was getting groceries for her mom she met a very shady man in the alleyway. That shady man said, **"Here take this necklace it will grant you powers!"**

"Okay Mister," Naomi said,grabbing the necklace.

One hour later, Naomi invited her friend Sora to her big house & suspiciously Sora had the same necklace but it was a galaxy-ish moon-ish colour.

"Where'd you get that necklace?" Naomi asked

"Oh this. I got it from a man when we went shopping," Sora said.

Bang! Boom! Crash! Thud!

"What is all that noise?" asked Sora.

"Our necklaces are glowing! panicked Naomi.

Something is going on, the girls peeked outside the window.

"Someone is trying to destroy the city," shouted Naomi.

"Let's go outside," shouted Sora.

Outside, there was a villain name Ira. He asked the girls, **"Are you the Sun & Moon princesses?"**

The necklace was glowing even more and on it was a small button. The girls pressed the button and were transformed into their battle armour.

Super Megan

BY Angelina Po

One stormy angry midnight Super Megan was flying through the city of The Goddess of Thunder.

While everyone was asleep, Super Megan saw The Goddess of Thunder take a little child so she flew as fast as a flash of lightning to save the little boy. Whoosh went Super Megan to the police station with the The Goddess of Thunder.

After, she flew home and watched her favourite movies and fell asleep on her bed. It wasn't long until she was woken by strange noises, She looked outside and saw a bad man crashing through a house. She ran to save the day but her feet were killing her. So she stopped for a second until she felt ok and then whoosh, zing and bang went Super Megan to save the day.

On a calm peaceful night in the city there was a family named The Jonas family. They were a happy family but then on this calm night one of their family members was kidnapped and it was their beautiful baby girl named Violet.

The kidnapper came while the family slept and quickly stole their baby. The family were so worried they prayed to Jesus for their beautiful baby girl to come back home.

The next night they heard that a baby had died, they immediately knew that it was their baby Violet. They burst into tears. The mother said, **"MY LITTLE BABY ANGEL IS GONE."** A few days later they had a funeral for baby Violet. They were all crying even the older siblings After 3 years they had a new baby which they named Violet. Jesus said to the Mother, **"you are a great mother"**. The mother said, **"thank you Jesus thank you thank you!!!"**

And Jesus replied, **"I will always be by your side forever and ever.I´m your Lord your God."** The family were so glad that their sadness is in the past. Now they are starting a new life.
