Week 7 Term 2

Kia orana, Kia ora, Malo lelei, Talofa lava, Namaste, Fakalofa lahi atu, Bula vinaka, Ni hao, greetings to all whānau and friends of Flat Bush School,

It has been another busy week at FBS and we have enjoyed the celebrations of our Samoan Language Week. This year we have done a lot of our school get togethers using Google Hangouts as we cannot currently have school assemblies. During the time we were working away from school, many of our learners and their teachers used this as a way of staying in touch. It is good that we can use the learnings from the lockdown now that we are back at school. A big shout out to our Week 7 Gold Card winners, Layla and Sarai (Rm 21) and Enea (Rm 20).

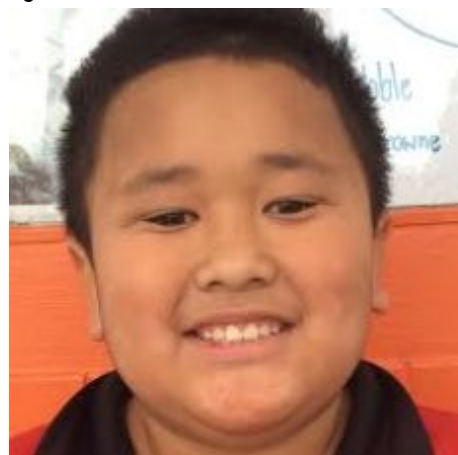

They have shown a positive attitude and effort towards their learning which are the key skills in being a successful FBS Learner. Next Thursday we have class photos, this is always a highlight of our school year. These photos capture for all of our learners at a special time in their lives which they share with their teacher and classmates. School is closed on Monday as it is the Queen's Birthday Public Holiday, enjoy the extra day with your beautiful children. A very big thank you to our FBS community for your patience while we are completing our Contact Tracing register at our school gates before and after school. This is a procedure that we have in place and will continue to do so until we are advised otherwise by the Ministry of Health. To everyone who has been so kind and gracious as we are asking for your name and the room you are visiting, thank you. A reminder to all FBS Learners and whānau that we start at 8.55am, gates are open from 8.15am and we would like all learners to be here ready to start at 8.55am. Being on time is a very important life skill and is of great benefit for our learners. Have a wonderful weekend FBS whānau, good luck to the Warriors as they restart their season.

Mr Avatea
 Proud to be your Principal
