Kia ora, Kia orana, Malo lelei, Talofa lava, Namaste, Fakalofa lahi a'ua, Bula vinaka, Ni hao, greetings to all whanau and friends of Flat Bush School.

It was really nice catching up with lots of our FBS whānau at our Celebration of Success conferences. Our children and staff have been working hard and were very keen to share and show their learning successes with their families.

Next week is Cook Islands Language Week and we have a really busy and exciting week planned. We invite all of our FBS whānau and learning community to join us on Monday at 10am when we will raise the flag of the Cook Islands and sing the National Anthem. Our Cook Island children will also share with you the songs they have been learning at lunchtime with our wonderful tutors. Meitaki ma 'ata Ms Babe Tupou, Freemantle and Tyrell for working with our children. On Monday at 1.45pm we have the Manurewa High School Cook Islands group performing for us in the hall, this will be an awesome occasion and we thank Ms Heather (Rm6) for organising this for us all. We also have our Arts Day in the hall on Wednesday showcasing the beautiful culture, arts and traditions of the Cook Islands. Come along during the week and enjoy everything that is happening.

R1 have been learning about scarecrows. Firstly R1 read *The Scarecrows Wedding* by Julia Donaldson. Then they decided to make scarecrows of shapes, then they decided to make scarecrows out of boxes because they wanted to make a giant scarecrow to be kaitiaki of their garden.
