Week 3 Term 3

Kia orana, Kia ora, Malo lelei, Talofa lava, Namaste, Fakalofa lahi atu ,Bula vinaka, Ni hao, greetings to all whānau and friends of Flat Bush School,

We have had a lovely week celebrating the arts, language, culture and heritage of the Cook Islands. It started with the opening on Monday morning and we also had a visit from the Manurewa High School Cook Islands group. They performed a wonderful item for our school filled with energy and excitement. Wednesday we had our Cook Islands Arts and Culture day in the Hall, all of our learners had a great time and we also hosted the Flat Bush Kindergarten and Mt Richmond School. A big thank you to everyone who has made our week so memorable.

Next week our school's Soccer teams are in action, playing in the Ōtara Interschools tournament on Thursday at the Rongomai Sports Ground. This is the first sports tournament for quite a while and our learners are very keen to get out and compete against other schools. We also have our Middle Team classrooms travelling to MOTAT on Tuesday and Wednesday, and on Thursday we have our school Mufti Day to celebrate our awesome turn out to last week's Celebration of Success conferences. Another busy week for our school!!

I would like to wish all of our FBS learners the best of luck for their weekend sports, hopefully the Warriors and Blues can stay on a winning roll.

## FBS Cook Island language week

### FRIENDLY REMINDER

Please remember that we encourage and eat healthy food at Flat Bush School. Good food choices will help with our students learning and well being. Please do not give pies and other unsuitable food to your children as they will be taken off them until the end of the day. Please help to support us in this initiative. Also, a reminder that the gates are now locked during teaching hours. If you need to bring your child's lunch, please bring them down to the Bairds Rd gate at 12pm where Miss Tania can meet you. Thanks for your co-operation.

### Thursday August 13
