

Kia ora, Kia orana, Malo lelei, Talofa lava, Namaste, Fakalofa lahi atu,
Bula vinaka, Ni hao, greetings to all whanau and friends of Flat Bush School

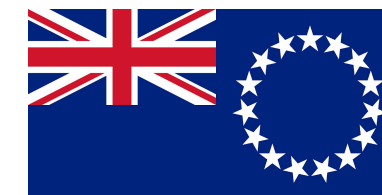

As we finish this week it is hard to believe that we are nearly half way through Term 1. It was wonderful catching up with so many of you last Friday, we had 263 families join us as part of our Fun Day. Currently, we are finding that a number of our students have head lice, this is a common situation in schools and we do have ways to help. Our Public Health Nurse, Feta Taala has invited parents to come in and see her in our school's clinic from 9am-12pm daily. Feta will provide you with a product and comb as well as a thorough explanation in how to use them. That way our students will have their hair treated and be back at school the next day, this is a totally free service so please make the most of it. Wishing all families a safe and happy weekend, go the mighty Auckland Blues.
